Please consider volunteering for one of our end-of-the-year events. They are loads of fun and so much easier when we have your help...the kids LOVE to see you there, too! ☺

Please make sure your kiddo wears tennis shoes on PE Days! Also, it is school policy that we do not wear flip-flops to school. Thanks!

Dear Parents,

We are nearing the end of our school year and things are really starting to pick up in kindergarten! Our kids are soaring academically! It is a really fun time of year because the kids are prepping for first grade skills. The test proctors for the Kennewick School District have also begun our final spring testing. We are excited to get the results as we know our kids will do great! We will share the results with parents in report card portfolios for 3rd trimester

We also have quite a busy classroom right now. We are observing ladybugs and will soon begin studying plants!

What fun!
