Day!**

IN THE CLASSROOM

During the month of February, we will be studying all about BEARS!

Our reading series will focus on details/main ideas and sequence of events.

We will build upon our previous lessons with story webs/story maps along with story discussion.

As we reinforce these skills, it would be helpful at home to review main ideas and details along with story sequence. Practice summarizing your stories you are reading at home. ☺

Please continue to practice our sight words!

What fun!

We will be celebrating Valentine's Day in class on Thursday, February 14th! Your child will enjoy an ice cream sundae and open valentines from his/her class friends. Please be on the lookout for specific information from each class in your child's Friday folder. We will be asking for supplies, donations and also provide instructions for personal valentines.

*Please remember to check the district website; www.ksd.org for school delays and closures. If there is no mention on the district website or in the media of delays and closures, schools are running on time.
