

October

Dear Parents,

Below you will find the concepts and skills that will be covered during the month of October in the fourth grade. Some topics and skills are meant to be introductory while others are covered in greater detail. It's hard to believe September is already over. The students have been working hard and have shown great progress in the first month. Thanks for sharing your talented, respectful children with us. We are truly enjoying getting to know them!! ☺

SCIENCE:

- *Motion and Design*

READING:

- *Basal Instruction*

WRITING:

- Fictional Narrative
- Organization/Conventions
- Explanatory Essay

Ongoing Homework:

- Read 20 minutes daily/record on calendar
- Nightly spelling practice for Fri. quiz
- A.R. points (7 points required for the month)
- Accelerated Math practice
- Multiplication fact practice

Upcoming Events:

- October 4 – Parent Orientation
- October 7 – Jog-a-thon
- October 13 - Mid-trimester: Remember to check grades online ☺

MATH:

Add/Subtract w/Regrouping
