

SEASON'S GREETINGS!

KINDERGARTEN NEWS-DECEMBER 2018

CONFERENCES

Thank you to all those that participated in our first trimester parent/teacher conferences. It was a great time to sit down with each other and discuss your little ones. Please remember that conferences are not the only time set aside to talk. If you ever have questions or concerns, feel free to contact your teacher via email or phone. Our goal is your child's success!

Winter Clothing

Wow! The winter weather is upon us! So...we will want kids to be prepared with their winter jackets, gloves, hats and boots if necessary. The kids do go out to recess during the snowy weather—we only stay in if it is raining.

They love playing in the snow and running out their energy, but we don't want them to be underdressed. Please teach them how to put on their own jackets and gloves. Also, if you have any extra, gently used gloves or hats we would appreciate your donation at school. We like to keep extras in the class or give them to children who are in need of winter clothing.

In The Classroom

This month we will continue to learn about weather. We will also be learning about celebrations around the world. Not only will we discuss our personal traditions, but we will discuss how others celebrate Christmas, Hanukkah, Posada and Kwanzaa. We will have many fun art projects and stories that go along with the season. This is such a fun time of year; we look forward to the holiday season!
