NEWS

FOR the MONTH OF
OCTOBER

LEARNING TOPICS:

English Language Arts: The focus skills in October will include: Narrative & Informative Writing. Other topics are Sequence of Events, Theme, Dialogue, Cause & Effect, Questioning, & Characterization.

Math: We are focusing on multi-digit multiplication, volume, & decimal fractions. Knowing your facts is essential to being successful in this unit.

Science: We will continue to work through our Structures and Properties of Matter kit. Students will continue to develop an understanding of matter by investigating states and properties of matter, mixtures and solutions, and physical and chemical changes,

DARE: We have started our DARE program & the students are loving having Officer Meyer come into our class and teach them. We will be starting our DARE essays later this month.

A note home:

IT'S ALWAYS A GREAT DAY TO BE A COYOTE!

We have officially been in school for over a month. Wow, time flies! We are off to a great start and the students have been working so hard. Please remember, reading calendars are due with totaled minutes at the end of every month. Please review your multiplication facts at home this month. Some other awesome things happening in fifth grade include Friday's Junior Joggers, Book Orders, and Responsibility Parties. Don't forget to earn AR Points ☺
