

# October

Dear Parents,

Below you will find the concepts and skills that will be covered during the month of October in the fourth grade. Some topics and skills are meant to be introductory while others are covered in greater detail. It's hard to believe September is already over. The students have been working hard and have shown great progress in the first month. Thanks for sharing your talented, respectful children with us. We are truly enjoying getting to know them!! ☺

## SCIENCE:

- *Motion and Design*

## MATH:

*Place Value*

*Add/Subtract w/Regrouping*

*Multiplication and Division Facts*

*Factors and Multiples*

## READING:

- *Basal Instruction*

*Problem Solving*

## WRITING:

- Fictional Narrative
- Organization/Conventions
- Explanatory Essay

## **Ongoing Homework:**

- Read 20 minutes daily/record on calendar
- A.R. points ( 10 points required for the month)
- Multiplication fact practice

## **Upcoming Events:**

- October 5 – Individual Picture Day
- October 6 – Jog-a-thon
- October 13 - Mid-trimester: Remember to check grades online ☺
- October 20 – NO SCHOOL: Professional Development Day

*Thanks for supporting your children,  
The Fourth Grade Team ☺*
