

Ridge View Fifth grade

FOR the MONTH OF
MARCH

NEWS

LEARNING TOPICS:

Reading: The focus skills are story structure, questioning, sequencing, visualization, and figurative language.

Writing: We will be practicing writing to performance tasks with multiple sources.

Math: Students are working on multiply and dividing decimals, algebra, and test prep review.

Science: Our Earth and Space unit is complete!

We will be practicing the Claim Evidence Reasoning process for analyzing scientific data.

* In all subjects we will be reviewing and getting ready for testing. We look forward to seeing the growth these amazing students are making!*
