

4th Grade April Newsletter

Math: Fractions, decimals, measurement, skill review and SBAC prep

Science: Plant and Animal Structures

Social Studies: WA State History

Penny War!

Starting April 15-26 Ridge View is having a penny war! This is a fundraiser to benefit Seattle Children's Hospital Boutique. Each grade level will compete with one another to see who can collect the most pennies (any change will do). The grade level that wins gets a popsicle party.

Writing

In preparation for SBAC testing toward the end of the month, we are reviewing the three styles of writing: explanatory, narrative, and opinion. We are continuing to use precise language, figurative language, specific details, and text-based evidence to produce interesting, well-organized stories and essays. Revising and editing continue to be areas of emphasis as well.
