# November 2017

---

## 4<sup>th</sup> Grade

---

Dear Families,

October was a busy month! We had the Jog-a-thon and EVERYONE did an amazing job. Thank you for raising money to support our school!

The end of the Trimester is here! Information about conferences has been sent home and we are looking forward to meeting with you.

If you ever have any questions, feel free to email me at any time. Also, don't forget about the "Remind" app. You can use the app to send private message (questions about homework, student absences, or other concerns). They come through as text messages so I will receive them right away.

Sincerely,

The Fourth Grade Team

---

## Upcoming Events

### November 3

End of 1<sup>st</sup> Trimester & Half Day of School

### November 11

Veteran's Day – NO SCHOOL

### November 17

Parent Teacher Conferences

### November 20

Parent Teacher Conferences  
No School

### November 21

Parent Teacher Conferences  
Early Release: 11:27

### November 22

Early Release for Thanksgiving Break

---

## Math

We will continue working on Module 3. The focus is on Multiplication. The students will learn about factors; area and perimeter; prime and composite numbers. They will also continue solidifying their ability to use rounding to estimate. Upon finishing Module 3, the students will be assessed on the skills taught.

Moving into Module 4, we will be working on Problem Solving involving addition and subtraction. We will also begin to build our understanding of fractions.

---

## English Language Arts

During the first week of November, we are wrapping up our Educational Extravaganza reports. Throughout November, we will continue to expand their Explanatory Writing knowledge base by working to develop an informative essay. Students will understand that this style of writing is organized with an introductory paragraph, body paragraphs, and a conclusion. Specific elements for each paragraph will be taught.

---

## Science and Social Studies

Motion and Design has been our main focus during the 1<sup>st</sup> Trimester.
