

Ridge View Fifth grade

FOR the MONTH OF
MARCH

NEWS

LEARNING TOPICS:

Reading: The focus skills are story structure, questioning, sequencing, visualization, and figurative language.

Writing: We will be practicing our narrative writing skills using a rubric.

Math: Students are working on dividing fractions and will be starting geometry.

Science: We are continuing to study Ecosystems by analyzing our aquariums and terrariums.

Social Studies: We will focus on dilemmas faced by enslaved Africans: the European slave trade, the voyage to America, & the arrival in America

A note home:

IT'S ALWAYS A GREAT DAY TO BE A COYOTE!

It's hard to believe we are beginning our last trimester. Please remember to send in your donated Layers of Love fleece ☺ We are looking forward to seeing the growth these amazing students are making this Spring. As always, please check planners and PowerSchool for grade updates. If you have any questions, feel free to contact your child's teacher.
