

March Newsletter 4th Grade

Homework Reminders:

- Read 20 Minutes/Night
- 10 AR points for March

Reading

- Continuing to work through Journey's curriculum and small groups.
- We are working on Story Structure, Infer/Predict, as well as Conclusions and Generalizations
- Vocabulary building through our Journey's books and Reader's Notebook
- 40 A.R. Points for the Trimester

Writing

- We are revisiting narrative writing. Students will use information they learn about the special abilities of animals and create a character who has those same abilities. Narrative writing has a problem that the characters need to solve. We are really working on adding detailed writing to our stories to try to create a picture for the reader.
- We will be reviewing all three styles of writing: Narrative, Explanatory, and Opinion.

Upcoming Events

- Conferences start March 14th!
- Early Release March 14th and 15th- 11:27
- Picture day March 12th

Math

- Reviewing the relationship between multiplication and division
- Introduce partial-quotient strategies using 2, 3, and 4 digit dividends
- Multiplying mixed numbers w/out composing and with composing
- Review fractions
