A note home:

IT'S ALWAYS A GREAT DAY TO BE A COYOTE!

We are proud of how hard the students have been working on their tests! 5th grade will be finishing up standardized testing with the Science WCAS. We are continuing to work on our academics with many exciting end of year projects! We will have AR goals and reading calendars continue in May. Please check PowerSchool regularly. We look forward to celebrating the end of the year and their last days as elementary students! ☺
