

Kindergarten NEWS

Summer is on its Way!

Please make sure your kiddo wears tennis shoes on PE Days! Also, it is school policy that we do not wear flip-flops to school. Thanks!

Coyote Howl

Dear Parents,

The **Coyote Howl**, our school carnival, will be held on **Friday, May 17th from 5:30-7:30pm.** Yay! ☺

All of the kindergarten and 1st grade classrooms are in charge of the bounce houses this year. We need volunteers to work the time slots provided on the link below. Please consider volunteering! It is a fun event and we cannot do it without everyone's help! The theme for the kindergarten raffle basket is gift cards. You can bring any type of gift card for any amount and donate it to the Coyote Howl. Restaurants, craft stores, coffee, movies, pampering, and shopping are all great ideas! Please send them in a Ziploc baggie labeled 'Coyote Howl' in your child's Friday folder.

Thank you for all of your support and we hope to see everyone there!

Dates to Remember:

- *May 12: Mother's Day!*
- *May 16: PTO Meeting/3:30pm*
- *May 17: Coyote Howl!*
- *May 27: No School!*
- *May 29: Bill's Berry Farm Field Trip*
- *June 10: Field Day!*
- *June 14: Last Day of School*

.....
 Field Day will be Monday, June 10th. It is a fun-filled day with all sorts of great physical activities. Be on the watch for more information and volunteer forms. Please consider volunteering for one of our end-of-the-year events. They are loads of fun and so much easier when we have your help...the kids LOVE to see you there, too!

Dear Parents,

We are nearing the end of our school year and things are really starting to pick up in kindergarten! Our kids are soaring academically! It is a really fun time of year because the kids are prepping for first grade skills. The test proctors for the Kennewick School District have also begun our final spring testing. We are excited to get the results as we know our kids will do great! We will share the results with parents in report card portfolios for 3rd trimester.

We also have quite a busy classroom right now. We are learning about insects and then we will study plants!

What fun!
