Ridge View Season of Giving 2017

It has become a tradition at Ridge View Elementary to participate in service projects that can help bring a deeper meaning to the holiday season each December. Below is a list of events we invite your child/children to participate in with us. Thank you for getting involved with our Season of Giving. Your generosity will be priceless to those you are blessing.

Food for Families Food Drive: November 27th through December 15th

Students can bring non-perishable food items to the library every morning and place under the Christmas tree from November 27th until December 1st. Any contributions you can make are welcome and will be given to local families in need throughout the winter months. *Please note Box Tops labels can be removed, however the inner packaging must remain intact. Please check expiration dates prior to donating.*

Layers Of Love Fleece Blankets: December 4th through December 8th

In February Ridge View staff and students will get together and make no sew fleece blankets. Those blankets will be donated to local families and charities to bring warmth and joy to our neighbors in need. We are asking our students to bring fleece that is pre cut into 3 foot by 3 foot squares. We are also in need of new fabric shears or scissors.

Caps for Cancer: Friday December 8th

Students can wear a hat to school if they donate \$1. We will be sending our donations to the local Tri Cities Cancer Center to fight pediatric cancer.

Puerto Rico School Supply Drive: December 11th through December 15th

Ridge View has found a school in need in Puerto Rico. The school is named Rafael Martinez Nadal. It is in the city of Mayaguez. We are hoping to provide the students at that elementary school with school supplies to help aid them through their school year. They had a rough and late start to their school year due to the hurricanes that struck this past year. Below is a list of supplies that we are collecting. The Columbia Center Rotary is going to help us ship the supplies to Puerto Rico.

- Markers
- Pencils
- Crayons
- Colored Pencils
- Elmer's Glue
- Glue Sticks
- Watercolor Paint
- Scissors
- Rulers
- Blue and Black Pens
- Flash Cards
- Small books in English and Spanish
- Folders
